

STATE OF MICHIGAN  
TERRI LYNN LAND, SECRETARY OF STATE  
DEPARTMENT OF STATE  
LANSING

**DATE:** January 9, 2006  
**TO:** Statewide Ballot Question Committees  
**FROM:** Michigan Department of State, Bureau of Elections  
**SUBJECT:** **QUALIFICATION CAMPAIGN STATEMENT FILING**

**--THE REPORTING WAIVER DOES NOT WAIVE THIS FILING REQUIREMENT--**

***Michigan Civil Rights Initiative:*** If your Ballot Question Committee spent funds to support or oppose the initiative petition sponsored by the Michigan Civil Rights Initiative, the committee must file a Qualification Campaign Statement no later than January 24, 2006. The Statement covers the committee's financial activity through January 17, 2006. The Reporting Waiver does not waive the filing requirement. (The initiative petition sponsored by the Michigan Civil Rights Initiative qualified for the November 7, 2006 general election ballot on December 20, 2005.)

**A committee that files the Qualification Campaign Statement due on January 24, 2006, is exempt from filing the 2006 Annual Campaign Statement due January 31, 2006.**

Ballot Question Committees registered with the Michigan Department of State's Bureau of Elections are required to file a required Qualification Campaign Statement electronically via the Internet or by diskette if the committee spent or received \$20,000.00 or more in a calendar year.

**Campaign Statement Coverage Dates**

- A Campaign Statement's opening date is the day after the closing date of the last Campaign Statement filed by the committee. If the committee has never filed Campaign Statements, the opening date of the first Campaign Statement filed is the earlier of the following two dates: (1) the date the committee accepted its first contribution or made its first expenditure or (2) the committee's formation date.
- A Campaign Statement's closing date is specified under the Campaign Finance Act. The "closing date" of the Campaign Statement described in this notice is provided above.

**Campaign Statement Forms**

Campaign Statement forms and instructions are available on the Department of State's website <[www.michigan.gov/sos](http://www.michigan.gov/sos)>.

### **Timely, Accurate Campaign Statements Required!**

If the committee raised **\$10,000.00 or less** during the previous 2 years, a \$25.00 late filing fee will be assessed each business day the Qualification Campaign Statement remains unfiled up to \$1,000.00.

If the committee raised **more than \$10,000.00** during the previous 2 years, a \$50.00 late filing fee will be assessed each business day the Qualification Campaign Statement remains unfiled up to \$2,000.00.

- An electronically filed Qualification Campaign Statement must be received by the Department of State's Bureau of Elections by 5:00 p.m. on the filing deadline.
- A Qualification Campaign Statement filed on paper or by diskette that is hand delivered or sent by first class mail must reach this office before 5:00 p.m. on the filing due date. Committees must be sure to allow ample mailing time if sending a filing by first class mail.
- A Qualification Campaign Statement filed on paper or by diskette that is mailed by registered mail, certified mail or an overnight delivery service and postmarked on or before the filing deadline will be viewed as a timely filing regardless of when it arrives.
- Be sure to fill out all forms as accurately as possible. Notices will be sent to the committee if forms are omitted, figures are wrong, addresses are incorrect, etc. The committee is then required to file an amendment to correct the error.
- A Campaign Statement will not be accepted if it is illegible, does not bear a proper signature, is not the proper size, or is presented in a computer format that has not been approved by the Department of State's Bureau of Elections.
- If filing on paper, a single original Campaign Statement must be filed. No additional copies are needed.
- A committee that files electronically via the Internet or by diskette is not required to submit a paper copy of the Campaign Statement.
- A committee planning to file electronically must use MERTS Plus software issued by the Department of State's Bureau of Elections.

### **Statement of Organization**

A committee registered under Michigan's Campaign Finance Act is required to amend its Statement of Organization if any information presented on the form changes. Required amendments to the form must be filed no later than the due date of the next upcoming Campaign Statement required of the committee. Therefore, if your committee is required to file the Qualification Campaign Statement, we urge you to review your committee's Statement of Organization before you file the Campaign Statement. If any information on the Statement of Organization has changed, be sure to file an appropriate amendment to the form no later than the filing deadline.

## **Dissolution Information**

To be eligible for dissolution, a Ballot Question Committee must have no assets or outstanding debts. An unpaid late filing fee is considered a committee debt.

Funds leftover in a Ballot Question Committee's account may be returned to contributors, donated to another Ballot Question Committee, or expended in any legal manner. Funds may not be given to a candidate, political party, PAC or any other type of committee that supports or opposes candidates.

When a dissolving committee contributes all or part of its remaining funds to a tax-exempt charitable organization, it must provide this office with an acknowledgement letter or a receipt from the charitable organization to confirm that the contribution was received.

If the committee has a Reporting Waiver, it is dissolved by filing a single-page Dissolution Campaign Statement form. If the committee does not have a Reporting Waiver, it is dissolved by filing a detailed Campaign Statement with supporting Schedules. A Dissolution Campaign Statement can be combined with the Qualification Campaign Statement by checking item 8f on the cover page of the Campaign Statement form.

## **Merts Plus Software for Ballot Question Committees**

The following reminders are offered for Ballot Question Committees that must use MERTS Plus software to electronically file Campaign Statements via the Internet or by diskette. **Questions concerning use of the software should be directed to MERTS Plus Tech Support at: (703) 749-4642 or sent by e-mail to <[mertstechsupport@nicusa.com](mailto:mertstechsupport@nicusa.com)>.**

It merits note that all committees that file with the Bureau of Elections are encouraged to electronically file even if the committee does not expect to meet the \$20,000.00 receipts/expenditure threshold explained earlier.

- **Election Cycles** – Make sure the correct election cycle(s) are entered into the Election Cycles Window. For expenditures made after the November 2, 2004 general election to support or oppose an issue, a new election cycle must be created for each ballot issue (Section 1.4 of the MERTS Plus Manual). The election cycle begins on the day after the last general election and ends on the day of the general election.
- **Campaigns** – Make sure the correct campaign(s) are created in the Campaign Window for each issue supported or opposed by the committee. For expenditures made after the November 2, 2004 election to support or oppose issues, a new campaign must be created for each ballot issue (Section 1.5 of the MERTS Plus Manual). For specific dates, please refer to the Election Cycle Chart provided by the Bureau of Elections.
- **Reporting Periods** – A separate report record (with correct coverage period dates) must be created in the Reports Window for each Campaign Statement that will be electronically submitted by the committee (Section 1.6 of the MERTS Plus Manual).
- **Amendments to Campaign Statements** – An amended Campaign Statement cannot be filed until an original Campaign Statement has been electronically filed. If more than one amendment to a report has been created, each amendment must be electronically submitted in the order it was created.

## **Obtaining Merts Plus Software**

State level committees wishing to obtain MERTS Plus software may apply on-line at the MERTS Plus web site ([www.mertsplus.com](http://www.mertsplus.com)). Both on-site and on-line software training options are available.
